Health and Safety

We have a new appointment within the Health and Safety department, Paul Sainsbury.

His official title is; Operational Health and Safety Advisor.

Paul is field-based, covering all regions and Bell Homes.

He has a strong background in plant operations, excavations and training.

Plant and Machinery

We are very excited to announce that we have 2 vacuum excavators coming in the new year!

Wellbeing

New Wellbeing boards now on site.

We have 2 Mental Health First Aiders in the company. Don't suffer in silence. Speak with your line manager or call 07971846630.

Apprentices

Our 21 groundwork apprentices went on a field trip to Hydro International, Clevedon.

A very warm welcome to Rachel and Lewis, our two new QS Apprentices.

Spot Light

Well done to the team at Merthyr, Taylor Wimpey. Doing a great job on a very difficult remedial development. Keep up the good work!
